MEMORANDUM FOR THE RECORD

SUBJECT: [REDACTED]

25X1A

1. General Cabell approved the attached paper of 12 June 1956 with the understanding that the United States Attorney's Office in New York would be brought into the interview with [REDACTED] and [REDACTED]. General Cabell was briefed that I talked with Jack Riley of Justice on the general subject and that Riley had agreed that it would be appropriate to bring in the United States Attorney. Subsequently, I talked with John Roeder who indicated his willingness to assist us in whatever way possible, including participating in the interviews. He requested, however, that we give him sufficient advance notice and also that he have an opportunity to examine the specific facts prior to our talking with [REDACTED] officials in New York.
